

OAK HILL COMMUNITY PARK & FOREST

Phone Call Script

- If the phone is answered by a secretary, they may ask if you need a response. It is better to say that you don't so that they can tally you down without having to go through the extra step of adding you to a response database.
- You may also be asked for your zip code.
- It's okay to leave a voicemail if they don't answer.

SCRIPT:

"Hello, my name is _____. I'm a resident of Burke County. I'm calling to express my support of Foothills Conservancy of North Carolina's effort to protect a 660-acre property that could become a valuable natural asset as a community park and forest. Please join me in supporting the Oak Hill Community Park and Forest. Thank you for your hard work!"
